**Osaka University (International Exchange Special Lecture)**

<b>Course Code and Title</b>	<b>Credit transfer provisionally approved</b>	<b>No. of units that can be transferred</b>	<b>Equivalent course at CUHK</b>	<b>Remarks</b>
885004 Topics in Quantum Simulations II	Yes	3	PHYS 4480	
885008 International Exchange Lecture on Nanoscience and Nanoengineering B	TBC (Please refer to the remarks from OUGE.)	TBC (Please refer to the remarks from OUGE.)	Nil	(1) Only a brief course description is currently available for review. The provision of a detailed course outline would be necessary for consideration of suitability of the course for fulfilment of University GE requirement. (2) If the course content is suitable for fulfilment of University GE requirement, the course can be considered for exempting 1 unit of University GE and no exemption of any of the Four Areas would be granted. - The no. of contact hours (16 hours) of the course under review can be commensurate with a 1-unit University GE course only at CUHK. - The 1-unit equivalence shall not be entitled to exemption of any Area of University GE since for fulfilment of any one of the Four Areas, students are required to take at least one (2-3 units) course.
885009 International Exchange Lecture on Nanoscience and Nanoengineering C	TBC (Please refer to the remarks from OUGE.)	TBC (Please refer to the remarks from OUGE.)	Nil	(1) Only a brief course description is currently available for review. The provision of a detailed course outline would be necessary for consideration of suitability of the course for fulfilment of University GE requirement. (2) If the course content is suitable for fulfilment of University GE requirement, the course can be considered for exempting 1 unit of University GE and no exemption of any of the Four Areas would be granted. - The no. of contact hours (16 hours) of the course under review can be commensurate with a 1-unit University GE course only at CUHK. - The 1-unit equivalence shall not be entitled to exemption of any Area of University GE since for fulfilment of any one of the Four Areas, students are required to take at least one (2-3 units) course.

Shanghai Jiao Tong University (Global Summer School)

Course Code and Title	Credit transfer provisionally approved	No. of units that can be transferred	Equivalent course at CUHK	Remarks
S021 Discover China	TBC (Please refer to the remarks from OUGE.)	TBC (Please refer to the remarks from OUGE.)	Nil	(1) The course can be considered for exempting Area C. It gives students an understanding of the development of contemporary China through various aspects such as society, politics and culture. The course is more suitable for Area C instead of Area A as courses in the latter area shall focus mainly on the essential characteristics of Chinese culture heritage. However, the no. of total contact hour is not available in the course outline. The number of units to be exempted depends on the actual number of teaching hours. If it turns out that the contact hours could only be commensurate with a 1-unit course at CUHK, no University GE area would be exempted. (2) Chinese Studies Majors cannot take this course for fulfilment of University GE requirement.
S022 China's Public Policy and City Governance	Yes	3	GPAD3260 Public Policy and Administration in China	
S023 China's Policy on Climate Change, Energy, and Environmental Policies

Nil	(1) The course can be considered for exempting Area D. However, the no. of total contact hour is not available in the course outline. The number of units to be exempted depends on the actual number of teaching hours. If it turns out that the contact hours could only be commensurate with a 1-unit course at CUHK, no University GE area would be exempted. (2) Students majoring in programmes offered by School of Architecture cannot take this course for fulfilment of University GE requirement.
S025 Discovering Shanghai: Past and Future-The Story of Li-Long (里弄)	TBC (Please refer to the remarks from OUGE.)	TBC (Please refer to the remarks from OUGE.)	Nil	(1) The course can be considered for exempting Area C. (2) The no. of total contact hour is not available in the course outline. The number of units to be exempted depends on the actual number of teaching hours. If it turns out that the contact hours could only be commensurate with a 1-unit course at CUHK, no University GE area would be exempted.
