Join The International Center for Supplemental Instruction June 19-20, 2024, at The Chinese University of Hong Kong for an SI Supervisor Training!

Certified Trainers, and newly appointed Assistant Directors, Chante Evans and Sarah Amos will be the facilitators for this training.

This training will fully address the topics and objectives necessary for the SI Supervisor certificate including procedures for

- selecting SI courses and SI Leaders;
- roles of supervisors and leaders as well as benefits;
- evaluation and funding of the program; training and supervision of SI Leaders;
- theoretical frameworks underlying the SI model; and
- effective learning strategies and SI session activities.

* The training is organized by the Students as Partners SIG and fully sponsored by the TDLEG
