Recommended Course Pattern
1. Upon conversion to the new curriculum in 2012, the typical load for each term should be 15 units (as a matter of advice) and the maximum load should be 18 units (as a matter of regulation).
2. Sufficient units should be allowed in each term for students to fulfill the University Core Requirements, which include: (i) 6 units of Chinese; (ii) 9 units of English; (iii) 1 unit of IT; (iv) 21 units of General Education; and (v) 2 units of Physical Education, as already listed in the template below.
