Game rules (brief version):

- Pillow fight
  - Rules:
    1. 7 players in each team
      - a. 1 King
      - b. Others side players
    2. Time limit: 5 minutes
    3. Goal of the game is to eliminate the king from the game.
    4. Players throw the pillow to hit the opponents to kick them out.
    5. Players can use any pillow inside the play field, but they cannot pass the midline.
    6. If any body part of a player is hit by the pillow of the opponent, he/ she will be out.
    7. Those who get hit by a pillow are eliminated and can only stand outside the field.
    8. The game ends once either kings are eliminated.
    9. After 5 minutes, if the kings of both teams are not eliminated, the team with more players win the game.
    10. If the number is equal, the first team with a player got hit will lose the game.
- Benteng bentengan (Indonesian game)
  - Rules:
    - Time limit: 5 minutes
    - 8 players
      - 3 Defenders each team
      - 5 attackers
    - Goal of the game: the attackers cross their opponent's "fort" (the goal)
    - After 5 minutes, the team who has the most attackers crossing the goal wins. If the number is equal, the first team with a player crossing the line wins.
    - The two teams are facing each other and they are attacking & defending at the same time. All attackers start from the start line. When the referee blows the whistle, the attackers start to pass through the defenders to reach the fort.
    - The defenders can only move along their own "defense line", which is between the start line and the goal to defend (avoid the attackers to reach the goal).
