

Online Course and Teaching Evaluation System (OCTE)

What is OCTE?

OCTE refers to the use of **online forms** to collect your feedback in the **Course and Teaching Evaluation (CTE)** exercise.

Why OCTE is important?

OCTE helps to make CUHK **greener** and the CTE exercise **more efficient** and **less error-prone**.

Why your support is important?

The key objective of the **CTE** exercise is to **collect your feedback** to support quality enhancement. The success depends on **your participation**.

How have your concerns been addressed?

- **Minimum Change:** Still in the classroom.
- **Easy Access:** Mobile devices are supported.
- **Anonymous:** Anonymity ensured by University's policies. No chance that the identity of a respondent can be revealed.
- **More details** available at the project website at <https://www.cuhk.edu.hk/proj/octe>.
